LifeLabs Service Updates 26/01/2023

CHANGES TO IONIZED CALCIUM TESTING

Dear Health Care Providers,

Effective March 4th, 2024, LifeLabs will be implementing a change in the testing process for Ionized Calcium. LifeLabs will be transitioning from using a 5.0 mL SST gold top tube to a 3.5 mL SST gold top tube for both, adult and pediatric patients. We kindly request that all future collections for Ionized Calcium be conducted using the 3.5 mL SST gold top tube.

5 mL (13X100mm)
SST Gold top Tube

3.5 mL (13X75mm)
SST Gold top Tube

We apologize for any inconvenience.

For any questions, please contact LifeLabs Customer Care Center 1-877-849-3637.
