LifeLabs Service Updates 02/03/2026

***H. PYLORI* UREA BREATH TEST UPDATE**

Dear Health Care Providers,

We are pleased to share that the temporary pause in *H. pylori* Urea Breath testing has now been resolved.

LifeLabs has received a stable stock of necessary supplies from our vendor, who has resolved the supply disruption and assured ongoing supply continuity moving forward.

The *H. pylori* Urea Breath test will be available effective March 11, 2026. Thank you for your patience and understanding during this time.

For any questions, please contact the LifeLabs Customer Care team at 1-877-849-3637.
